A brief Guide to Costs & Requirements for the CE-Certification of Motor & Sailing Vessels in accordance with the EU Recreational Craft Directive

January 01, 2008

1. Notified Body Fees

a) Issue of Certificates

- Certificate for all Craft certified under Modules B, G, PCA €1,240.00
- Noise Certificate for Motor Yachts €695.00
- Yard Certificate €890.00

b) Compliance Examination Fee

- The compliance examination fee of a vessel fully compliant with the code requirements and ready for final inspection is based on the formula:

$$\text{Fee in Euros} = 750 + [\text{L.O.A. (m)} \times 100]$$

2. Stability & Recesses Assessment *

$$\text{Fee in Euros} = 1,125 + [\text{L.O.A. (m)} \times 75]$$

3. Owner's Manual *

$$\text{Fee in Euros} = 190 + [\text{L.O.A. (m)} \times 50]$$

* **Note:** Please note that “Stability Assessment” and Owners Manual” are to be arranged directly by the Yard / Owner of the vessel; however we could assist in locating a suitable Consultant for the preparation of the above. The prices quoted above are purely indicative.

Notified Body costs are subjected to Belgian 21% V.A.T.

Other costs are subjected to Spanish 16% V.A.T.
