

MARINE SURVEY BUREAU

A Guide to Costs & Requirements for the Certification of SMALL COMMERCIAL VESSELS (Motor & Sailing)

May 01, 2008

Certifying Authority

- For the issue of the Compliance Certificate (vessels < 15m L.O.A) £ 150.00
- For the issue of the Compliance Certificate (vessels > 15m L.O.A) £ 250.00

Compliance Examination Fees

- For a vessel fully compliant with the code requirements and ready for the compliance examination. £ 55.00 x L.O.A. (m)
(If other visits are needed will be charged at £ 65.00 / hr.)
- For vessels not yet compliant with the code requirements £ 95.00 x L.O.A. (m)
(The fee includes a full pre-coding inspection, guidelines & assistance to make the vessel compliant, and final examination)

Stability Assessment

- To obtain a Stability Category (for vessels < 15m L.O.A. or vessels > 15m which do not require a full Stability Booklet) £ 60.00
- To approval of Stability Booklet (where required). £ 470.00
- To carry out Inclining Experiments £ 95.00 / hr.

Tonnage Measurements (for Part 1 British Registry)

- Vessels < 15m L.O.A. £ 180.00 *
- Vessels > 15m L.O.A. £ 225.00 *
- Vessels > 24m L.O.A (but < 24m L.L.L) £ 350.00 *

Note: The above costs are in Pound Sterling and do not include VAT or traveling expenses for inspections carried out outside Mallorca. (* Tonnage Measurements are VAT exempt).
